[YOUR FULL NAME]

COMPUTER SCIENCE STUDENT | JUNIOR SOFTWARE DEVELOPER

[Your City, Country] | +000 000 000 000 | your.email@example.com
LinkedIn: [Your LinkedIn URL] | GitHub: [Your GitHub URL]

PROFESSIONAL PROFILE

Motivated Computer Science student with a strong interest in software development, web technologies, and artificial intelligence. Academic project experience using Java, React, Spring Boot, and Python, with an interest in building practical, user-focused software solutions. Eager to contribute, strengthen technical skills, and learn from real-world development environments.

EDUCATION

Bachelor's Degree in Computer Science

[University Name] | [Start Year – Present]

Relevant coursework: Object-Oriented Programming, Database Management, Computer Networks, Operating Systems, Artificial Intelligence, and Software Engineering.

TECHNICAL SKILLS

Programming: Java, Python, JavaScript, C++

Frontend: React, HTML5, CSS3

Backend: Spring Boot, REST APIs

Database: MySQL

Tools & Platforms: Git, GitHub, VS Code, Eclipse, Windows, Linux (Kali Linux)

SELECTED PROJECTS

Reading_Mate | React, JavaScript, AI, API

Developed the frontend of an AI-assisted reading and comprehension application. The concept supports document reading and helps users understand unfamiliar words and sentences.

Campus Event Management System | Java, Spring Boot

Built an academic web application for organizing and managing campus events, with a Java and Spring Boot backend.

Weather Dashboard | Java, JavaFX, Weather API

Created a desktop weather application with an interactive JavaFX interface and API-based weather information.

ACADEMIC & PRACTICAL EXPERIENCE

Software Development Projects | [University Name] | [Year – Present]

Applied programming and debugging skills through academic projects; practiced problem-solving, application development, and working with development tools.

CORE STRENGTHS & LANGUAGES

Strengths: Problem-solving, teamwork, communication, time management, adaptability, and continuous learning.

Languages: French — [Level] | English — [Level] | [Other language] — [Level]
